Agreement

I understand that learning how to windsurf has some inherent risk. Hazards may include surface and subsurface conditions, changing weather and tide conditions, and other watercraft such as powerboats, other sailing craft, jet skis, etc.

I certify that I can swim and support/float myself in water over my head. I certify that I am wearing a personal flotation device (PFD, also commonly known as a "life jacket") to adequately provide me with buoyancy in the water during my windsurfing lesson.

I certify that I am wearing foot protection while learning how to windsurf to adequately protect against possible injury from stepping on rocks, shells, and marine life.

I certify that I will be responsible and take due care in my use of the windsurfing equipment (such as board, mast, boom, fin, and sail donated by the Club for my lesson. I will pay for any intentional neglect, abuse, or damage that I (or my child, if the student is a minor) shall cause to such equipment.
