

## **“A Street with No Name”, an Unoriginal song by DJBobbyG**

On the first part of the journey  
I was looking at all the life  
There were plants and bugs and rocks and things  
There was sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot, but the ground was wet  
No-see-ums make no sound  
I've been to Shell Point  
On a street with no name  
It felt good to be out of the rain  
at my age I can't remember your name  
'Cause no-see-ums can and will cause you great pain  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
After two days in the Shell Point sun  
The bites began to turn red  
After three days of Shell Point fun  
I was looking at the trailers tread  
And the story is told of a trailer that towed  
Worked so hard, thought I was dead  
You see I've been to Shell Point  
On a street with no name  
It felt good to be out of the rain  
at my age I can't remember your name  
'Cause no-see-ums can and will cause you great pain  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
La, la, la, la, la, la  
After 4 days, I backed into a tree  
Because I didnt turn to see  
There were plants and birds and rocks and things  
So my car has got some dings  
The ROADies are old men who never cease to astound  
With a perfect disguise above  
Under the trailer we just saw feet all around  
And all of us wore our gloves  
You see I've been to Shell Point  
On a street with no name  
It felt good to be out of the rain  
at my age I can't remember your name  
'Cause no-see-ums can and will cause you great pain
